Online Information & Opportunities #5

Please find following links to information received by the Careers Centre from external companies and organisations that you may wish to research. This sheet of information will be adapted and updated on a regular basis.

You may need to copy links into your browser.

The Careers & Enterprise Company is funded by the Department for Education. They have developed **The Fledglink App** for 15 - 19 year olds. It can help you to build a digital CV, discover your strengths with input from friends and family, ask different career questions and find lots of different opportunities from work experience, to internships to first roles.
