

Governors statement and Related Parties and Expenses

Owing to the nature of the Academy's operations and the composition of the board of Governors being drawn from the local public and private sector organisations, transactions may take place with organisations in which the governor has an interest. Any transactions involving organisations would be conducted at arm's length and in accordance with the Academy's financial regulations and normal procurement procedures.

As a Catholic Academy we are linked to the Diocese of Brentwood.

All Governors declare their business interests and during the course of the last financial year no transactions were conducted where a Governor had any related interest. No payments were made to any Governor to exercise their role as Governor of the Academy and the only expense claims were by staff Governors in their roles as teacher or support assistant and not for any expense incurred for being a Governor.
